

Extended Clock Warranty Statement (-EW)

For the time specified from the date of shipment, ENTECH warrants each time-keeping system to be free from defects in materials and workmanship. As customer's sole and exclusive remedy, ENTECH will repair, replace, or at ENTECH's option, refund the purchase price of any unit under the terms of this warranty provided the unit is returned to the point of original shipment prepaid. This warranty does not apply if the unit has been damaged by accident, misuse, or incorrect installation, or has been modified in any way. This warranty applied only to the original purchaser and is in lieu of all other warranties, whether expressed or implied. In no event is ENTECH liable for damages, including consequential damages, beyond the original replacement value of the time-keeping system. There are no warranties which extend beyond the description on the face hereof. ENTECH hereby excludes all implied warranties of merchantability, fitness for particular purpose, noninfringement or any other warranty other than that above written.
